Each day different sports will be completed such as football, tennis, gymnastics, curling, forest school, dance, footgolf, athletics and many others. There will also be glow in the dark dodgeball, nerf guns and discos! Please contact Nathan Keast directly at nathank@primary-sports.co.uk if you require any further information. You can book on the website at: <https://www.primary-sports.co.uk/events> Your child will need a full packed lunch, plenty to drink, comfortable clothing and trainers.

Holiday Club Crediton Congregational Church will be running a holiday club for children aged 5 to 11. There will be songs, Bible stories, crafts, games, refreshments and lots more. The club will take place on Wednesday 10th through to Friday 12th August from 10:00am to 12:00pm each day at the Congregational Church. The cost is only £2.00 a day or £5.00 for all three days. To book a place, please email: churchofficeccc@gmail.com

WaterAid Art Club After being inspired by an assembly about WaterAid led by Pip Andrews in Year 2, Stanley, Henri, Ollie and Will in Year 4 have decided to start an Art Club for all children

at Landscape in aid of raising money for this charity. There will be an Art club in Miss Maddison's classroom, every Tuesday lunch time, featuring colouring, drawing, watercolours and guides on 'How to Draw'. The boys are asking for donations of at least 20p to attend the club where you will be able to use all the resources on offer. All money raised will go to WaterAid. If you would like to attend the club, please take the money to Miss Maddison's classroom in the morning - thank you!

Class Photos

As you know, we have taken our own class photos this year in an effort to keep the price lower for families. By the end of next week, the class photos will be displayed in the hall at the end of the day for you to have a look at. You will then be able to order the photos you want via our online payment system. The photos will be presented in a mount and will cost £5 each.

Theatre Workshop On Thursday, a group of Year 4 children worked with Phil from "The Common Players" group to learn more about theatre and set design. The children all had a fantastic day and designed and created props for the upcoming performance of "Alice in Wonderland". By the end of the day, the children had worked together to create a huge celebration cake which will be used in the show on Saturday 9th July at Newcombes Park. All of the children involved also created their own hats for the scene, which they will wear as they present their cake to the Queen of Hearts in the show (so watch out for them in the live performance on the day!)

QE Transition Year 6 All parents of year 6 children who are moving to QE in September, should have received an invitation for your child to attend the school for the day on Wednesday 6th July. Children do not need to come to Landscore at all on that day, they just go straight to QE for the start at 10:00am.

QE Year 5 Transition Day – Quogwarts Day On Thursday 7th July, all Year 5 children will be going to QE to enjoy a day of fun activities based around a Harry Potter theme. More information will follow next week but you might want to start thinking about your costume as there is a fancy dress competition on the day too.

Congratulations to Daniel Southall who has become our latest word Millionaire on Accelerated Reader. Well done Daniel and keep up the great reading.

Congratulations also to Maci and Ethan Rogers who completed the Muddy Race for Life last weekend and raised money for a very worthy cause. It certainly looks like a lot of fun though! Further congratulations go to Lilianna Ciebien who also completed a race for a worthy cause. Lilianna entered the 5km Rainbow Fun Run for the Children's Hospice. Lilianna said it was great fun getting covered in powder paints!

We must also congratulate Hugh Swain this week for being awarded the Player of the Year for the Under 8s Panthers. Hugh, who is the goalie in the team, has become known as the supreme shot stopper! Well done Hugh and keep saving those goals!

Finally, congratulations must go to Lyra Dickenson and Frankie Blanchford for achieving their swimming awards. Lyra has been awarded her Kingfisher 1 and Frankie got her STANley level 5. Well done girls – a great achievement.

I hope you all have a lovely weekend.
