

### Menu Change

Next Friday, 15<sup>th</sup> March, option 2 will be Mozzarella fingers and not veggie burger.

Dear Parents and Carers,  
**World Book Day** What a great day everyone had yesterday and well done to you all for the incredible costumes – what a great effort everyone made! I hear the school was buzzing with excitement and I'm just very sad that I missed it all.

### Photo Safeguarding Reminder

Please can I remind you all not to share any photos of our children either on the internet or with third parties? Peter Brewer from the swimming gala was sent a photo of our team but luckily, he checked with us first to make sure that we had parental permission for all the children to go into the newspaper before he sent it off.

### Red Nose Day

On Friday 15<sup>th</sup> March, the school council have decided that children can wear red or brightly coloured clothes, or have crazy hair, in exchange for a £1.00 donation to Red Nose Day.

### Crediton Swimming Gala Winners!

Huge congratulations must go to our swimming team from Years 5 and 6 who managed to bring the winning trophy home to Landscore last Friday. Our team of twelve children swam incredibly well and came first in 10 of the 14 races. They were also praised for their fabulous cheering skills – for both their own team mates and swimmers from other schools. They really were a credit to the school and we are very proud of them all.

**Official Opening** We were very lucky to have Liz Brooks-Hocking, the mayor of Crediton (who is also one of our governors) to officially open our new outdoor classroom this week. It really is a great additional resource. Many thanks, once again, to all of you and the PTA for raising the money.

### Circus Tickets

Tickets are now on sale for our Happy's circus on 13<sup>th</sup> June. Tickets cost £10 each and children will receive a games/activity card to use on the games and stalls which will be available from 4:00pm in the grounds before the Big Top opens at 5:30pm. The circus promises to be a fabulous event so buy your tickets early to avoid disappointment. Please use the link: <https://buytickets.at/landscoreprimaryschoolpta/1070541>

### Crediton Community Conversation: Our future town – your chance to say

The intention of this event is to find out from the local community, including outlying villages, what they think is needed in the town and what the wider community wants to see land used for in Crediton when it comes forward for development. Local landowners, businesses, community groups and other stakeholders are invited to join the discussion. The event is focused on Crediton but developments here, such as housing, highways and infrastructure, can affect the wider area so the invitation is extended to anyone who uses the town for activities such as professional services, shopping, education and social activities.

The guest speaker will present aspects of Land Use and participants will have the opportunity to discuss and put forward their ideas. This event will also assist the town council in reviewing the existing Neighbourhood Plan.

**Junior Netball Club at Queen Elizabeth's** Children in Years 4, 5 & 6 who enjoy playing netball are invited to attend a taster session on Monday 15<sup>th</sup> April at 4:30pm-5:45pm for just £2.00. Information on how to join the club will be available at that session. Scan the QR code to book onto the taster session.

**Congratulations** this week to all of our amazing gymnasts who have been competing in competitions. Nicholas Garrett, Lyra Dickenson, Seb Herrod-Taylor and Lily-Rose Hacking are all members of the Exeter gymnastics club and have all done incredibly well at the latest competition. Nicholas won medals in all categories including gold on P-bars and silver on vault. Lyra got gold on beam and silver on floor and she won gold overall. Seb won a gold medal for floor, a silver for the vault and a silver for overall. Lily-Rose got gold in beam and bar and got bronze for floor and vault and she won gold for overall. What an incredible achievement for everyone – very well done.

We also have Amaya Freeman Ebrahimi and Sophia Tucker who have done fantastically well with their swimming this week. Amaya has achieved her STANley level 4 award and Sophia has passed her Goldfish level 1 which are both excellent achievements. Very well done to you both and keep enjoying that swimming!

I hope you all have a great weekend.

*Debbie Main*

## Our future town – your chance to say
