

Friday 20<sup>th</sup> May 2022

### **Jubilee Family Picnic**

Everyone is welcome to join us next Friday, 27<sup>th</sup>

May, for our family picnic on the field to celebrate the Queen's Jubilee. We are holding the picnic from 2:30pm

to 3:30pm and all families are welcome to join their children for a snack and a few games.

You will need to bring your own snacks/picnics but we will have some refreshments (drinks, cakes and ice poles) available to buy in the playground.

### **Incredible Drawing Opportunity**

If you enjoy drawing, you may like to enter the Bookery's lucky draw to win a special hour with Sarah McIntyre, author of 'Grumpycorn' and illustrator of the Kevin series of books. The lucky winner will have the chance to draw with Sarah and have a special unicorn tea! Application forms are available from the bookshop or online at: [www.thebookery.org.uk](http://www.thebookery.org.uk)

Dear Parents and Carers,

**Bikeability** Many of our Year 5 children have been taking part in Bikeability this week and they have all done really well. The children have been learning how to ride their bikes safely and how to be safe on roads. The two instructors have been very impressed with how well the children have listened and how well behaved they have been so well done to all of you.

**Class Photos** Class photos will be taking place next week on Monday with Thursday as a 'back up' day. Please ensure that your child is looking smart and is wearing their correct uniform on Monday. If your child has PE on Monday, please ensure that they are wearing their school uniform into school and then bring their PE kit in with them.

In an effort to make the class photos more affordable, Mrs James (one of our teaching assistants in Year 5/6) has very kindly agreed to take the class photos for us this year. She is an excellent photographer so we are hoping that you will be happy with the outcome.

**Scholastic Book Fair** Our book fair will be open next Monday, Tuesday and Wednesday from 3:30pm-4:00pm. We will have the books on display in the hall at the end of each day. This year we only have a small number of copies so most books will need to be ordered and delivered to school shortly after the book fair finishes. The most straight forward way to pay is using the online platform <https://bookfairs.scholastic.co.uk/pay>. We will have QR codes available at the book fair so you can pay once you have chosen your books. You can access a copy of your wish list and payment details here which need to be given into us so we can order the books <https://images.scholastic.co.uk/assets/a/53/76/wish-lists-scholastic-2134427.pdf> Every book that is bought at the book fair earns the school money to buy even more lovely books for our library, so your support is greatly appreciated.

**Jubilee Events in Crediton** During the weekend of the Queen's Jubilee, there are a number of family events happening in Crediton and everyone is welcome to go along. Events include: Flag making and singing in the Town Square, a Family Fun Day at Newcombe's Meadow, a Movie in the Park and A Royal Boniface Bash – The Big Sunday lunch in the Square. (Full details can be found on the flyer attached).

**Congratulations** to Imogen Treen and Lyra Dickinson who have both achieved their level 3 gymnastics certificates. Lyra was awarded an excellent and Immy managed to achieve a distinction which is a fantastic outcome. The girls had to do a range of gymnastic moves including walking handstands, back walk overs, bridge into walk over and the splits! Very well done to you both and keep up the great work.

Congratulations also to Amber Swain who has been very busy recently with both her swimming and her acrobatics! Amber has achieved her STANley level 5 swimming award and has also passed her level 1 acro dance exam. Very well done Amber and keep enjoying your very energetic hobbies!

I hope you all have a lovely weekend.
