**Meeting**  
**– Tuesday 7<sup>th</sup> May**  
**2:45pm**

All year 1 parents are invited to a phonics meeting on Tuesday 7<sup>th</sup> May at 2:45pm.

Mrs Williams and Mr Seller will explain the phonics screening process that your child will be undertaking in June this year and will answer any questions you may have.

**Second Hand Uniform**

We have a large stock of second hand uniform available in the school. Please ask at the school office (at a quiet time) if you would like to try any uniform on. We just ask for a donation for any items that you take. We are also very happy to receive any items which are in good condition that your child may have outgrown.

Dear Parents and Carers,

Tickets cost £10 each and children will receive a games/activity card to use on the games and stalls which will be available from 4:00pm in the grounds before the Big Top opens at 5:30pm. The tickets will be going on sale to the general public from 1<sup>st</sup> May so buy your tickets now to avoid disappointment – there are only a limited number of tickets left so don't delay.

**Landscore Tea Towel** The PTA have decided to produce a Landscore tea towel this year which will feature a drawn picture of every child's face (if you have given your consent). The children are currently drawing pictures of themselves to go on the tea towel and once we have all the pictures, we will send the design to the production company. We are hoping to have the tea towels ready for the early part of next half term but we will be asking parents to order their tea towels in advance. You will shortly receive an email asking for consent for your child's picture and name to be put on the towel and also asking you to order and pay for any tea towels you would like. The cost will be £5.00 for one tea towel and £8.00 for two.

**After School Parental Supervision** As the weather improves, it is always lovely to see more families staying in our playground to use the facilities after school. Unfortunately though, the behaviour of some children at this time is causing both myself and our neighbours some concern. I have received reports of children urinating behind the bushes on the field, climbing trees and using the play equipment dangerously. All children know the rules in school and I would expect them to follow the same rules at the end of the school day. Please ensure that you maintain full supervision of your child when they are playing around the field and continue to reinforce the school rules. Please also be aware of our after school clubs and KSC children and ensure that your child does not play in the areas that these groups are using.

**Bike Safety** It has also been great to see more children riding their bikes to school since the weather has started to improve but I have received a number of reports from people who are concerned about the safety of some children when riding their bikes. A number of children have

not been wearing helmets and have also been riding dangerously in and out of parked cars. Please talk to your child about road safety, especially if they are riding their bike to school.

**Baby News!** I am very pleased to announce that two of our teachers are now expecting babies. Miss Hutchens is expecting her first baby in September and Mrs Vere is expecting her second baby in November. Both teachers will be working through to the end of this school year with their current classes and Mrs Vere will be with us until the October half term next year.

**World Book Day Winners!** Congratulations to Rhys Squance and Jasper Silk-Rundell who were our winners for the World Book Day 'bunting' competition. Rhys drew a design based on the book 'Mammoth Academy' and Jasper chose to draw oxygenated blood cells representing the book 'All about Bodies'. Very well done to both of you and enjoy spending your book vouchers.

I'd also like to say a big thank you and well done to everyone who sent in a design – the bunting looks great in our library.

**Congratulations** to Bella Blake this week for achieving her 10 metre swimming badge. Well done Bella and keep practising that swimming as you're doing brilliantly!

Congratulations must also go to Benji Zieleniewski who has passed his taekwondo grading this week. Benji has now gained his orange belt which he is wearing with pride in the photo. Very well done Benji and keep up the good work.

I hope you all have a great weekend.
