

Circus Tickets

Tickets are now on sale for our Happy's circus on 13th June. Tickets cost £10 each and children will receive a games/activity card to use on the games and stalls which will be available from 4:00pm in the grounds before the Big Top opens at 5:30pm. The circus promises to be a fabulous event so buy your tickets early to avoid disappointment. Please use the link: <https://buytickets.at/landscoreprimaryschoolpta/1070541>

Nut Free School

Please remember that we are a nut free school as we have a number of children with nut allergies in the school. This nut ban includes peanut butter.

Spring Concert On Wednesday 27th March at 1:45pm (please note the slightly earlier start time), some of our children will be performing in our Spring Concert which will take place in the school hall. This is an opportunity for our musicians and singers to showcase the work they have been doing with their music teachers. If your child is involved in a solo or small group performance, you will be invited to join us. As numbers are limited, please ensure that you collect a ticket from the office before the date.

KS1 Open Afternoon It was great to see so many of you at our KS1 open afternoon this week – we really appreciate your support, thank you. I hope you enjoyed sharing the children's learning and making Tudor Houses – you all did a fantastic job!

Cake Sale for Diabetes

Ella from KSC is trying to raise money for Diabetes and will be doing a cake sale after school on Wednesday 17th April. She will be providing all the cakes but would be very grateful if lots of people were able to buy one.

Easter Bingo Thank you to everyone who came along to the Easter Bingo yesterday. It was great to see so many people and I think everyone enjoyed themselves! We were also able to raise £375 towards the refurbishment of the KS2 children’s toilets. A very big thank you must go to the PTA for organising everything, to Judith Harris for being our fabulous caller and to Helmore for donating all the Easter eggs!

Attendance and Lateness Research shows that pupils who regularly attend school make better progress both socially and academically and adapt better to routines, school work and friendship groups. As a consequence, those pupils tend to have a more positive experience of learning and often go on to have improved educational and work opportunities in the future.

When a child’s attendance falls below 90%, they are considered a persistent absentee. At this point, we will usually contact you to both raise your awareness of the low attendance and to check if there any issues that we can support you with. We want to work in partnership with all parents, so if you are having any difficulties with your child’s attendance, please get in touch. Please also be aware of the huge impact of arriving late to school. The school day starts at 9:00am and all children should be in their classroom by this time ready to start the day. If your child regularly arrives after 9:00am (after the school gates have closed), even if it is only a few minutes late, they will be missing vital information from the start of the day. It is also very embarrassing for them to walk into a classroom where everyone turns to look at them to see who has entered (we all know how awful it is to enter a room full of people late). Please ensure that your child arrives at school in plenty of time to get into class for 9:00am.

Traffic Safety Many thanks to all of our parents who park very sensibly and also drive carefully past the school at the start and end of each school day. Unfortunately, I am still receiving reports about a small number of drivers who are driving too quickly past the school or parking their car in a dangerous position. Please make sure you consider the safety of all children when you use your car or leave it parked near the school. Please also remind your children to cross the roads with care and to not play games or use their phones whilst they are walking near roads.

Bag 2 School We will once again be having a Bag 2 School collection on Thursday 6th June. Bag 2 School are a company who help to raise funds for schools. They take quality, unwanted clothing and pay for the weight of what they collect. If you are thinking of having a spring clear out of clothes, please keep any of the following items in a bin liner ready for our collection in June. Good quality items for RE-USE: Men’s, Ladies’ and Children’s clothing

- Lingerie/ Socks/ Paired shoes (tied together or elastic band)
- Handbags/ Hats/ Bags/ Belts

Netball Tournament Congratulations to the two Year 5/6 netball teams who represented the school at the QE Netball Tournament on Tuesday this week. The children all did really well with one team coming 3rd and the other team coming 6th. The children also won the Fair Play award for the tournament which is a great accolade. Well done to you all.

Congratulations this week must go to Olivia Voisey, Alastair Maud and Stanley Trenaman for their excellent swimming achievements. Olivia achieved her STANley level 6, Alastair completed his 5 metre certificate and Stanley has finished his Octopus level 2. What a great accomplishment for all of you – very well done.

This will be the last newsletter of the term as the children break up for the Easter holidays next Thursday, 28th March. The children then return to school on Monday 15th April.

I hope you all have a great weekend and a fabulous Easter break when it arrives.

Debbie Main
