

Class Photos

Unfortunately, due to a problem with mounts, we will have to sell the class photos without mounts this year. They will be 6x8 size and will cost £2.00.

The photos will be displayed on the hall windows throughout next week so that you can order the ones you would like.

Covid Cases Increasing

As you will have heard in the news, the cases of Covid are increasing once again and we have already had a number of confirmed cases within the school. The guidance states that anyone with symptoms of a respiratory infection and has a high temperature or is feeling unwell, should try to stay at home and avoid contact with others. If your child tests positive, they should stay at home for at least 3 days after the test and until they feel well enough to return.

Dear Parents and Carers,

Staffing Structure September 2022

As you know, each year our class structure changes due to the different number of children in each year group. As from September, the classes will be set up as follows:

Year Groups	Teachers
Reception	Miss Brown
Reception	Mrs Stoate /Mrs Vere (Mrs Stoate, a new teacher, will be teaching for the first half of the year whilst Mrs Vere is on maternity leave).
Year 1	Mrs Steph Williams & Mrs Sarah Williams (Job share)
Year 1/2	Mrs Miller
Year 2	Miss Davey
Year 3/4	Miss Maddison
Year 3/4	Mrs Turagabeci
Year 5/6	Miss Hughes/ Mr Willcox
Year 5/6	Mr Williams
Year 5/6	Miss Hutchens (New teacher)

Staffing Update You may have noticed that one teacher is missing from the list above and that is because Mrs Houston is retiring from teaching this year. Mrs Houston, who has been an incredibly valued member of staff for many years at Landscape, has decided to step back from full time teaching in order to do some travelling, to visit Vietnam where her daughter is living and also to pursue some of her other interests. Mrs Houston has supported so many children on their educational journey and I would like to thank her for all her hard work and dedication over the years. We will all miss having her around at Landscape but we're hoping that she will be back to help us out every now and then! I'm sure that you will all join me in wishing Mrs Houston all the very best for her exciting future.

Lions Club 'Roar' Programme A group of our children who participated in the Lions club 'Roar' programme earlier this year, were presented with their certificates and winners medals in assembly last week. The Roar programme is designed to give young people a platform to think big and positively change the world. The children were asked to invent something which will help to overcome a problem they have identified. The programme aims to inspire children and young people to think big and dream bigger. The programme ran as an after school club and we will be running the club once again in the Autumn term. Well done to all of the children who took part, and particularly the winners.

School Field Closed

Due to a private letting on the school field, the schools grounds will be closed to the public on Saturday 9th July.

Tag Rugby Tournament Our Year 6 rugby team played at the Tag Rugby Festival last week which was held at the rugby club in Crediton. Our team, who all played brilliantly and displayed excellent teamwork skills, came up against some tough opponents but came 7th overall. They lost 2 games, drew 1 and won 1, and as always, made us very proud. Very well done to you all.

Year 6 Grenville Residential I'm pleased to say our year 6 have had a fabulous week at Grenville this week, despite having a few cases of sickness and Covid. They all seem to have really enjoyed the fabulous activities on offer and have behaved fantastically well. I am sure any Year 6 parents will hear all about the week later this evening and will probably have some very tired children for the weekend!

I would like to say a big thank you to all of the staff involved with the trip this week.

Congratulations to Daniel Southall who has completed his level 6 water safety skills this week. Danielle has been awarded his silver certificate for completing all the safety tasks required of him in the water – including swimming fully dressed! Well done Daniel!

I hope you all have a lovely weekend.

Debbie Main
