

English (26-1-22)

Non-chronological (non-fiction) writing

Activity 1: read for at least 20mins, but before you do, read Activities 2-4 as your reading may help you!

Activity 2: plan 4/5 subheadings, images/diagrams and 'Did you know?', 'WOW's or 'TIPS' that you could write about for our 'How to survive school' double page spread coming up. Think of the examples from 'How to survive the jungle' book we have looked at in English and guided reading to assist you.

Activity 3: find and write down **two examples each** from any book or piece of text of simple, compound and complex sentences.

Activity 4: Find and write down two examples of sentences that have causal conjunctions in. Try to find one with the conjunction in the middle and one with it at the start.
